

>>>>> triple slide es

The Triple Slide by system klarer offers lots for the whole family. Cosy slides for mum, dad and children on the central track, wave slides on the right side and the "free fall" on the left!

The "Triple Slide" family slide is a cost-effective combination of three types of slides, is attractive from all sides and can cope with huge numbers of visitors in the shortest periods of time.

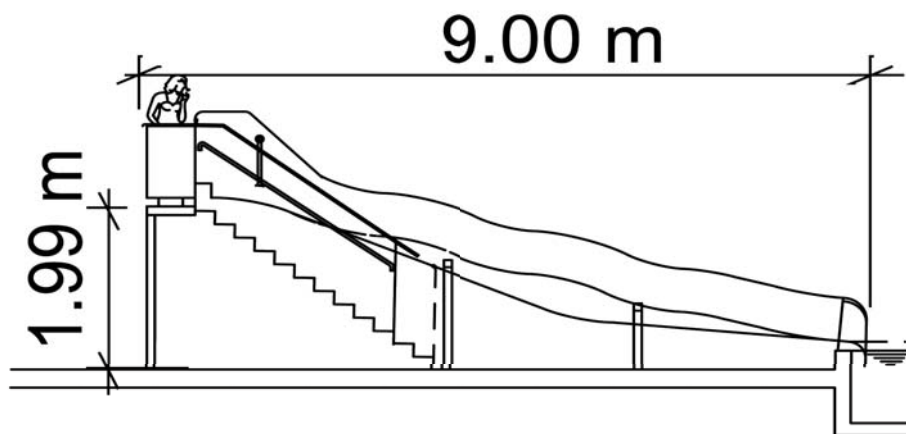

The slide and the integrated stairway with starting podest are completely manufactured from plastic (GRP). The foundations can be provided in galvanized steel or stainless steel.
